You live on Australia right? If so, do you like vegemite? What about eucalyptus?

AND VEGEMITE TASTES

AWESOME! TERRIBLE.

Clarissa

Question for Sunati: What's something that makes you angry?

VEGEMITE!

VEGEMITE IS LITERALLY THE WORST.

I MEAN, THEY TOOK ALL THE STUFF THAT TASTES TOO YUCK TO PUT IN BEER (WHICH IS ICKY ANYWAY)

AND THEN THEY PUT IT IN A SPREAD AND EXPECT PEPLE TO LIKE IT. EWWW.

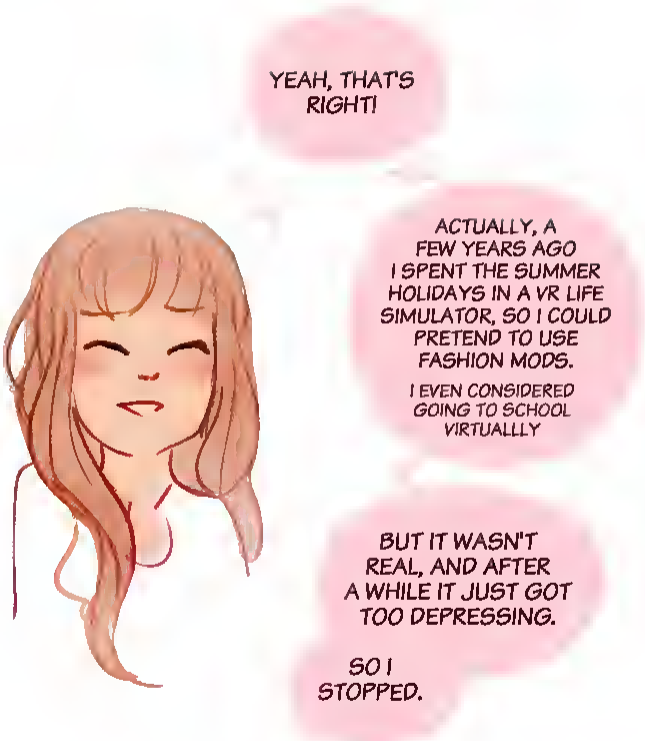
IT'S THE 24TH CENTURY, AND WE LIVE IN KAKU CITY, WHICH IS SOMEWHERE IN WESTERN AUSTRALIA.
Kaku city is a relatively new city that grew around a bunch of science and technology parks
somewhere here
??
WE KNOW THIS ISN'T VERY SPECIFIC,
BUT WE CAN'T GIVE YOU MORE DETAILS BECAUSE THE AUTHOR IS INCOMPETENT.

AN: THANKS TO TONYH FOR HELPING ME NAME THE CITY.
I REALLY AM INCOMPETENT

scarlet_rain

for Q and A Can Austen have fun in a mod simulator without actually getting the mods? Like Sunati doesn't actually have the mods yet right? She had to order them



YEAH, THAT'S RIGHT!
ACTUALLY, A FEW YEARS AGO I SPENT THE SUMMER HOLIDAYS IN A VR LIFE SIMULATOR, SO I COULD PRETEND TO USE FASHION MODS.
I EVEN CONSIDERED GOING TO SCHOOL VIRTUALLLY
BUT IT WASN'T REAL, AND AFTER A WHILE IT JUST GOT TOO DEPRESSING.
SO I STOPPED.

JessDawl

Those mods just look like hair coloring, styling, makeup, and colored contacts.. With less upkeep of course. Couldn't Austen use those products? Or does their world not manufacture them anymore since everyone uses mods? Then she could at least pass as "normal", even if she can't use memory mods and things like that.

Mimi Kiryuu

omg i DIED! I was wondering what she looked like XD <3. now for the Q&A- Austen, since you can't use mods, i m overly curious if you ever thought of using other methods of changing your look like Make-up, hair dye, or maybe some other method unknown to me?

YEAH, THAT'S ANOTHER THING I'VE TRIED, BUT . . .
currently wearing mascara and foundation
WELL, IT JUST FELT . . . WRONG
IT ONLY REMINDED ME OF ALL THE MODS I CAN'T EVEN PRETEND TO BE ABLE TO USE.
and it doesn't look as nice as the real thing either
I MIGHTN'T BE HAPPY WITH THE WAY I LOOK RIGHT NOW
BUT AT LEAST WHEN PEOPLE LOOK AT ME THEY ASSUME I'M DOING IT ON PURPOSE
SO I CAN FEEL LIKE I HAVE A BIT OF CONTROL.

If Austen could have fashion mods, what would she look like?

Rynn Lee

Lost

What does Austen look like if she ca[illegible] mods?

Zax

Also I have a small Q&A, If Austen could choose fas[illegible] she pick? Would she change as often as Sunati, or would she pick something more permanent[illegible] okay!

Layona

What would Austen look like if she[illegible]

YEAH I'M STILL NOT GOING TO TALK ABOUT IT

BlakeyCakes

Austen -If you could use one fashion mod without your imm[illegible] without having to go to the hospita for it, what mod would you pick?

you all are determined aren't you?

Eliot Partaud

The heroine tied up all loose ends and is being rewarded with a new super sayan form. She completed her character arc
She's a love sayan now
